Weight: 360.00g

Dimensions: 240.00mm x 170.00mm x
70.00mm

Price: £49.99

Short Description

The Professional Equine Massage and Grooming Mitts have been many years in the making, they were developed by a chartered state registered physio in the UK. They are designed for ease of use with your horses normal care routine. Use to apply shampoos, oils, moisturisers and conditioners as part of their conditioning schedule or massage dry to effectively and more easily reduce the adhesive quality of tissue to reduce tightness and tension between the soft tissue layers.
